

About Eggleston

We help individuals with disabilities gain independence, confidence and increased feelings of self-worth through on-the-job training and stable, rewarding work opportunities.

When Eggleston opened in 1955 as the Tidewater Vocational Center, we served only seven individuals with disabilities. Today, we serve over 1,500 each year through 33 programs and 22 locations, and our services expand every year.

MISSION

Creating education, training, and employment opportunities

VISION

A community that values and engages the abilities of all persons and endeavors to improve their quality of life

VALUES

Integrity,
Stewardship,
Inclusion,
Quality

QUALITY STATEMENT

Business Services

Document Shredding & Conversion

Eggleston offers secure, state-of-the-art document shredding services, serving agencies of the U. S. Government (unclassified), medical practices, law firms and many other industries. Our team also converts hardcopy paper documents into easily stored, readily accessible digital formats.

Commercial Landscaping

Eggleston's commercial landscaping crews service customers throughout the South Hampton Roads region, providing mowing, landscape maintenance, mulching, building and maintaining flower beds, as well as storm clean-up, and more. Voted 2023 Best of Norfolk Gold Winner.

Automotive Center

Each month our automotive center prepares hundreds of donated cars for auction in our mechanic and detailing shop. These cars are auctioned off to the public every other Saturday. We also do state inspections and minor maintenance work for the general public. Please call for availability.

Business Fulfillment & Custom Assembly

Eggleston provides assembly, kitting, packaging, inspection, testing, cleaning, bagging, labeling, re-packing of bulk materials into ready-to-issue quantities, support for special promotions, and bulk mailing services to Hampton Roads businesses.

Garden Center & Farmers Market

A retail outlet with everything you need for your lawn and garden, including house and bedding plants, hanging baskets, herbs, gardening supplies, grass seed, mulch and accessories. We also have a fixed indoor farmers market featuring locally-sourced produce and products, including peanuts, spices, spirits, lotions and more.

Federal Contracts

For decades, Eggleston has worked with the Federal Government as well as local and regional businesses to provide contract services to the region and employ hundreds of people, including many veterans and their family members.

Commercial Laundry

- We serve five branches of the military as well as other Federal and Corporate clients at our Norfolk and Portsmouth facilities.

Food Service

- Our teams strive to provide excellent service to both the Navy and Marines at more than eight locations across Hampton Roads.

Mail Room

- Eggleston provides mailroom services for the Mid-Atlantic Office of the Army Corps of Engineers.

Custodial

- Our team executes custodial services for the Navy SEAL Teams.
